THE **Boston Oak** COLLECTION

polytec is proud to announce the Boston Oak Collection added to the Decorative 18mm doors & panels and Benchtops & laminate range.

polytec's Boston Oak Collection is a creative global first, offering a broad spectrum of 12 colours inspired by traditional methods of staining natural timber, using the original Boston Oak structure as its base.

This range ensures the ultimate mix-and-match aesthetic, versatility, and functionality throughout all products, catering to both residential and commercial spaces.

An Australian developed collection with unparalleled flexibility and longevity, setting a new standard in the industry.
